

What is covered?

- ü Emergency pre-hospital medical care and ambulance transportation to the appropriate hospital.
- ü Non-emergency ambulance transportation when medically necessary and with prior authorization by a physician.
- ü Medically necessary and physician authorized transfers to Eugene, Lebanon, Corvallis, Salem, and Portland hospitals.

What is not covered?

- ü Non-medically necessary transportation where other than an ambulance could be used, including but not limited to private vehicle, taxi, or wheelchair and stretcher van services.
- ü Transport to and from doctor's offices or clinics.
- ü Transport from nursing homes for treatment normally provided in the nursing home.
- ü Transport home from a medical facility when the patient's condition does not warrant an ambulance.
- ü Any transport or procedure that is not covered under the normal Medicare Coverage guidelines.

FireMed

AMBULANCE MEMBERSHIP PROGRAM

**Expanded Quality Benefits from our
Professional Emergency
Medical
Services**

**Open Enrollment
May & June**

**A service of the
Jefferson Rural Fire Protection District**

FireMed

FireMed is a membership program from the Jefferson Rural Fire Protection District, that provides affordable quality ambulance service.

Family Protection

FireMed membership covers you and all family members in your household. Even those family members living in a local residential care facility, or away at college.

Save Money

A transport by ambulance is expensive, and occasionally not all ambulance costs are covered by some insurance companies, or they may require that you pay a deductible or co-pay. The patient then becomes responsible for the remainder of the ambulance bill. FireMed members are protected against the unreimbursed ambulance fees, and considers the amount paid by the insurance company as payment in full.

Community Support

The majority of the emergency medical responders in Jefferson are volunteer. Your FireMed membership fees help with advanced training, supplies, and emergency medical equipment.

Oregon FireMed Network

As a member of Jefferson FireMed, you are also covered in 75 ambulance service areas in Oregon. This will give you peace of mind while you travel the state.
