

ADOPTED: January 1, 2016

REVISED:

A. PURPOSE

To establish a procedure for exchanging sheets, blankets and pillows cases with the hospital.

B. PROCEDURES

1. When you arrive at the hospital and as you are cleaning up you are allowed to exchange one blanket for one blanket and one pillow for one pillow, etc.
2. Any contaminated disposable equipment can be left in a proper container at the hospital in a Red Bag.
3. Any non-disposable equipment needs to be cleaned at the hospital or bagged and returned to the station for cleaning.

C. RESPONSIBILITY

It is the responsibility of all crewmembers to assure the equipment is restored and the responsibility of the lead medic to assure that the crews have done their job.
